

TO WHOM IT MAY CONCERN

This is to confirm that Barbara Riediger was employed by Framework Television from September 1991 until April 1993.

Barbara was employed in various television production capacities including Floor Manger and Teleprompter for a weekly magazine show called REVUE PLUS as well as a weekly game show. She than moved on to Stock Manager , Floor Manager and Scriptwriting for K-TV a daily children's show. She also assisted on various OB (Outside Broadcast) shoots throughout the coutry, often acting as chaperone for the presenters and assisting the director where needed.

Barbara's friendly nature and artistic abilities are sorely missed. She is an asset to any employer and we are very sorry to see her leave.

We would without hesitation recommend her for any similar position or any other that she should set her mind to doing.

We wish Barbara every success for her future

Yours sincerely

WHANE PEARCE
